DEDICATION

WE, the Senior Class of 1941, dedicate this PIERIAN to our leaders, the School Board, School Superintendent, Principal, and Faculty.

You have been the guiding factors in the shaping of our careers, and this is the only concrete way we have of being able to express our appreciation for your excellent guidance.

FOREWORD

THIS PIERIAN is a cherished record of our busy, happy days in Richmond High School.

The people who helped by their work to make this book possible, present it for your approval. If it brings back fond memories of our work and play, the staff will be amply rewarded.

SENIORS

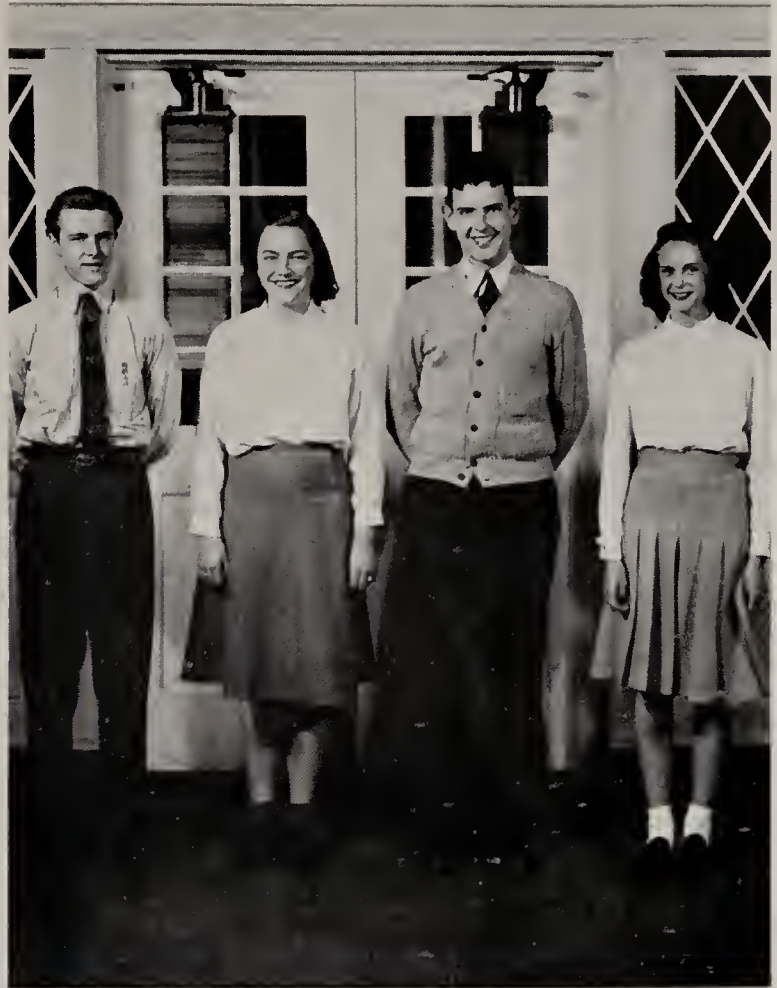

THE CLASS OF '41

'Twas the middle of September, and the day
was bright and warm
When this group of little freshmen to Morton
High did swarm.
They were heckled and tormented, but they had
a lot of fun.
Yes, this was the beginning of "The Class
of '41."

Finally in old Morton they learned to wend
their way,
But Fate said in the old school they were no
more to stay;
Then for them, in Richmond High, a new life
was begun.
This was the Junior year of "The Class of '41."

This year was the first year to use our football
field,
And Bryant Leavell was our star, his playing
soon revealed.
Our team sure was a dandy; their opponents
they would stun.
This was the football team of "The Class of '41."

'Twas the joy of Richmond High when the
band began to play.
They were uniformed and snappy, and John
Harstick led the way;
And as far as music went, they were excelled
by none.
This was the grand old band of "The Class
of '41."

SENIOR OFFICERS

Excitement reigned supreme here when our boys
played basketball;
John Wallace and Carl Runnels soon made opponents
fall.
We had a perfect record when our season here was
done.
Yes, this was the basketball team of "The Class of '41."

SENIOR SPONSORS

In a section of the bleachers, in
a block of white and
red,
Block "R" was always pres-
ent with Madeleine
Nicholson at its head.
With tricky yells and clever
stunts they added to
the fun,
For this was our "Block "R"
of "The Class of '41."

It's the ending of our high
school days and we are
sad at heart,
But memories of these happy
years from us will never
part.
And now we take our place
in life, with eyes raised
to the sun,
But we hope you'll all remem-
ber "The Class of '41."

—JANE PORTER.

UNDERCLASSMEN

TO THE UNDERCLASSMEN

A gas balloon looks mighty fine afloat in the sky,
But soon it's lost from sight and mind; a balloon that's flown too high.

So heed our warning given now before we leave this hall:
He who flies the highest has the farthest soon to fall.

So keep your feet upon the ground and study hard next year;
Then you can plan to graduate without this ghastly fear.

Plan your homework in advance; let nothing change your mind.
Accept the extra tasks and things that seniors always find.

Social Hall is not the place where you should congregate,
For if you do, a lecture true is apt to be your fate.

If your classes are too dry, don't ditch them like a fool,
For if you do, you'll quickly find that you're without a school.

We leave you now upon your own; traditions old to keep—
Of Stunt Nite, Class Nite, plays and such, to make you lose your sleep.

But joking now we push aside and say with all our heart,
Now that the time has finally come, we really hate to part.

—J. P.

12 B's

JUNIOR CLASS

11 A's and 12 B's

It is a sad time when the seniors must turn over their school to a group of underclassmen, but this year's seniors need not worry. When they leave, the school will find itself in other good hands. These 11 A's and 12 B's have already shown their value to the school.

There are some fine organizers in this class. For proof, you can see that for the first time in many years a Junior party was planned, executed, and was a huge success.

Among the duties which the Junior Class must perform are to act as ushers at Class-Nite, Baccalaureate, and Commencement; to plan the Senior Recognition Assembly; and to decorate for Baccalaureate and Commencement.

The 11 A's will be the first class to attend Richmond High School for three whole years.

10 A's and 11 B's

These classes are certainly outstanding. They have had the foresight to look ahead and realize that they should plan for their senior year. Therefore they sponsored a skate and have begun to make their money.

The members of this class have already shown that they are capable of carrying on the activities of the school. There are some promising actors for next year.

The Junior Class is well represented in this year's sports in tennis, track, golf, basketball, baseball, and football.

FRESHMAN CLASS

10 B's

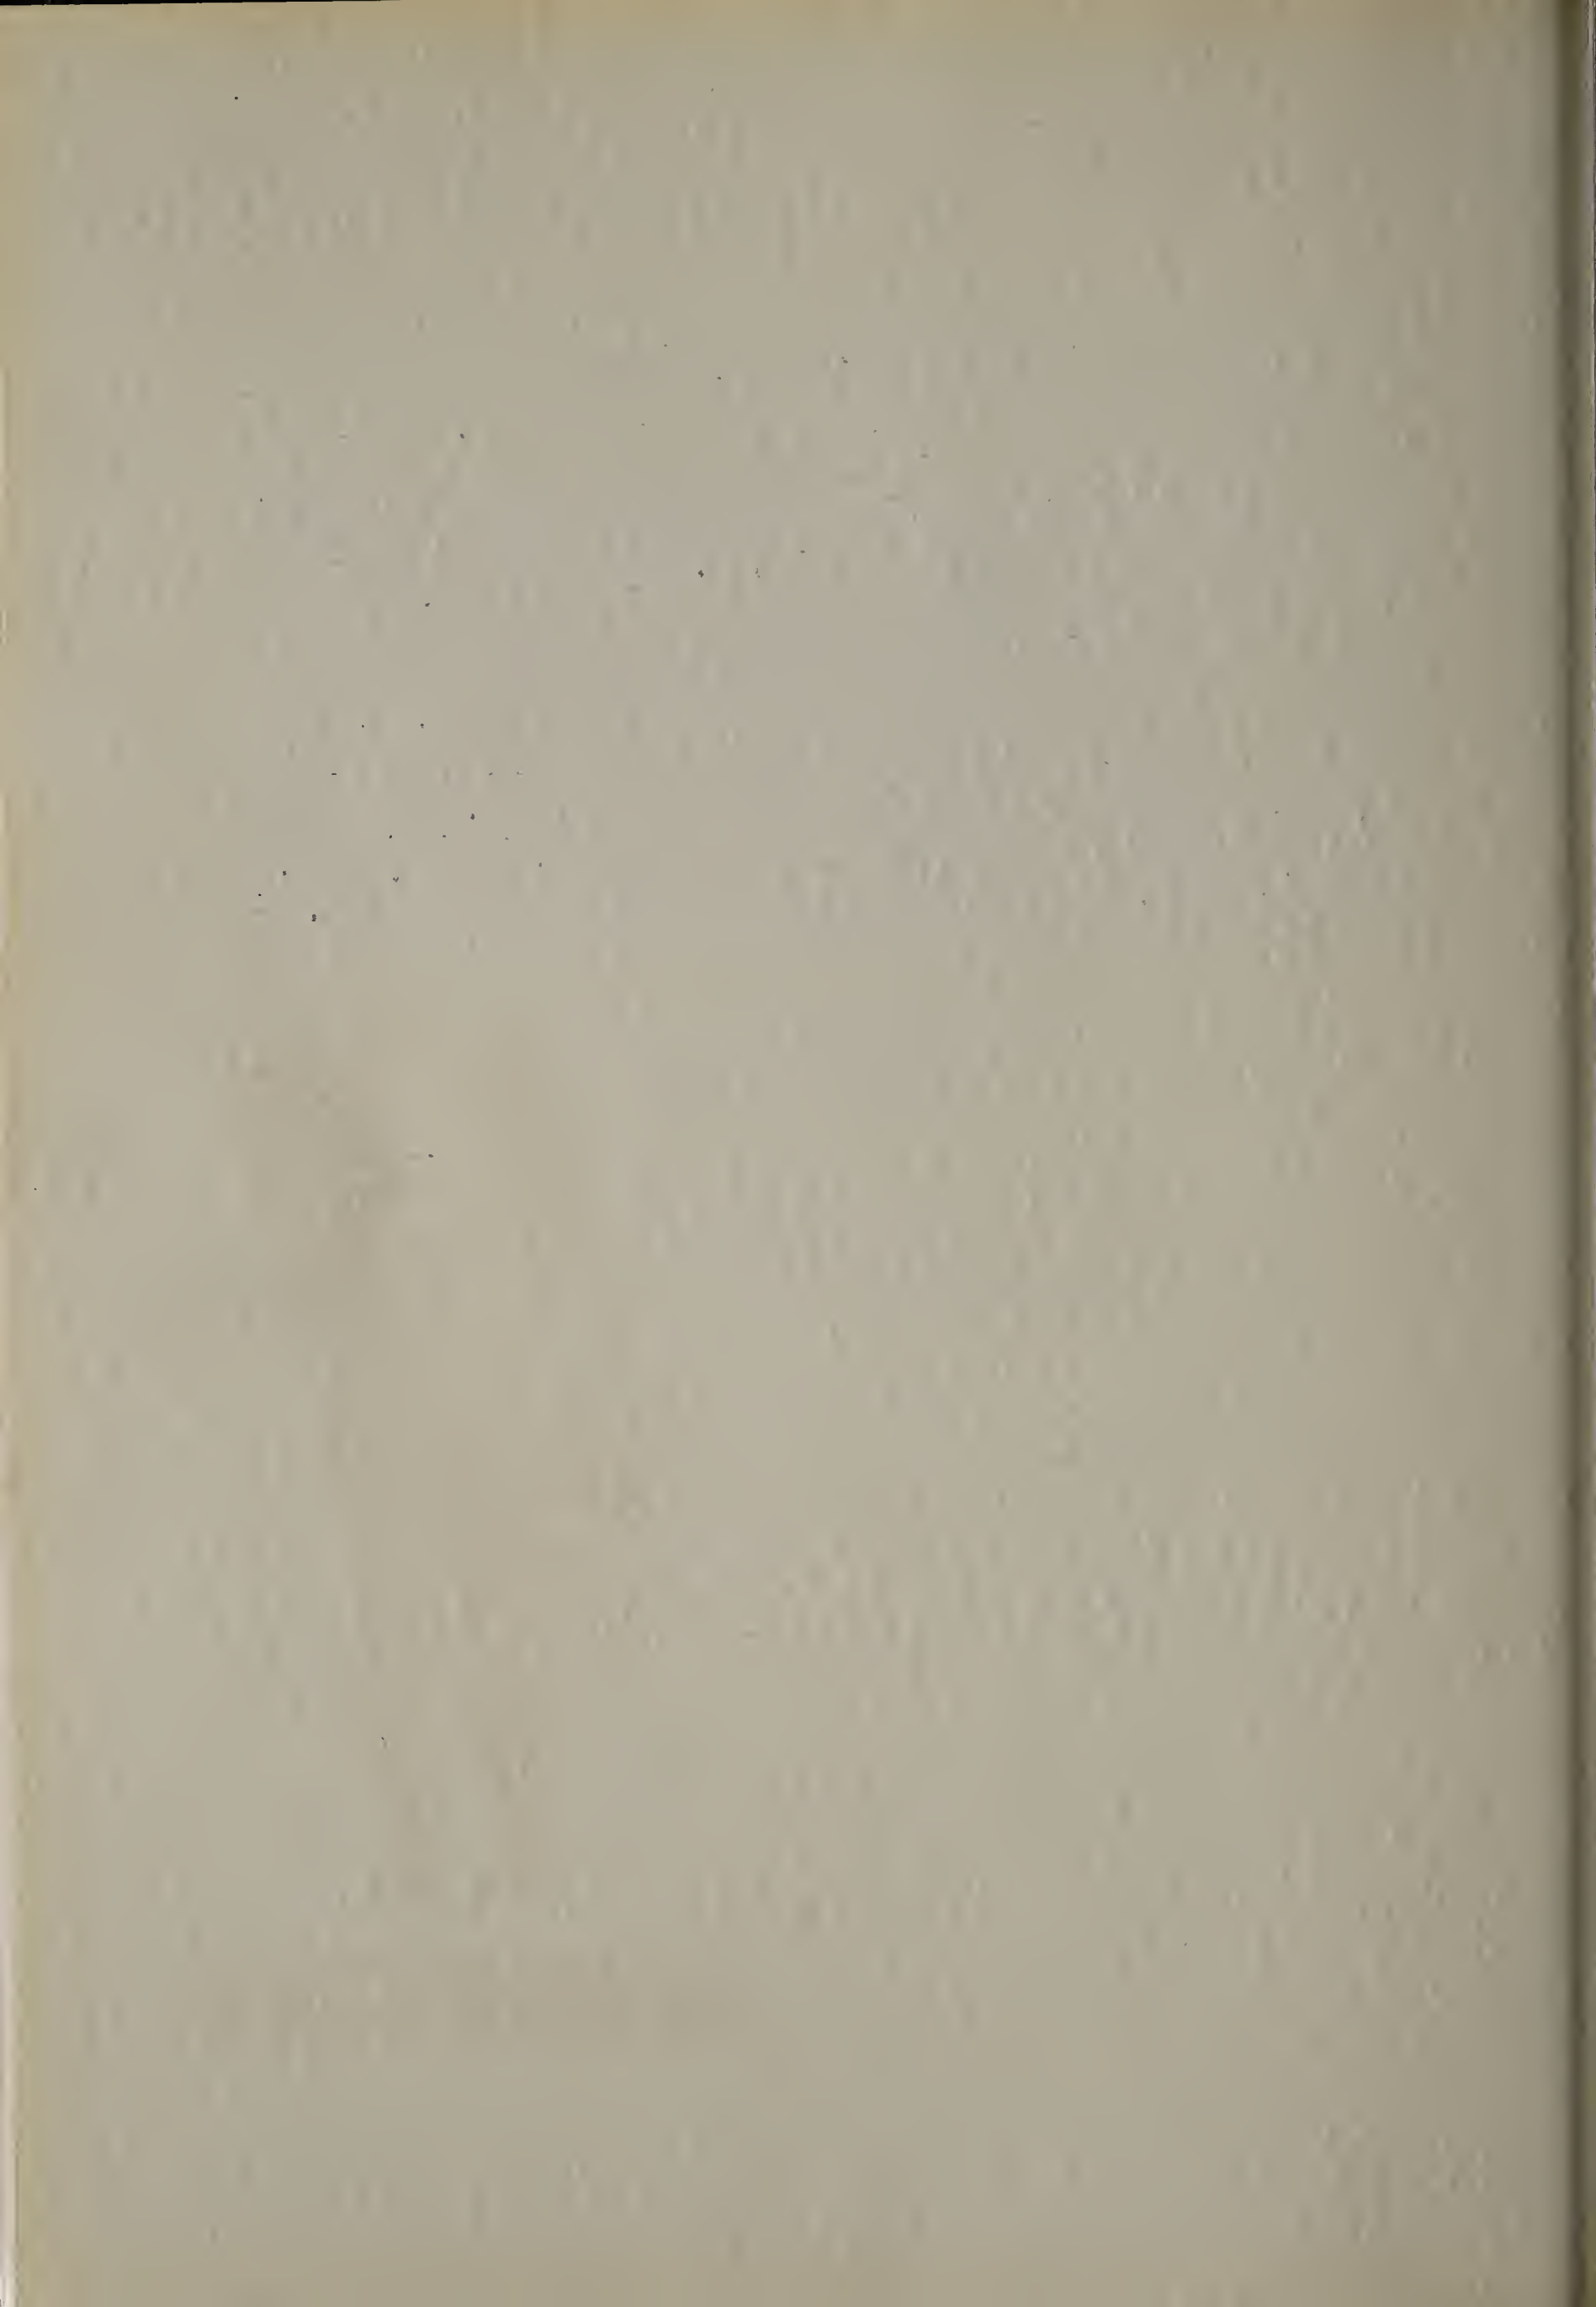

Every school has its Freshies, so these new 10 B's have had to suffer the agonies of being our Freshmen. These young underclassmen are looking forward and working toward their senior days. The class has already sponsored a party, with the proceeds going for their Senior activities.

Many of the classmen are very much interested in athletics and have proved their interest by trying out for various sports.

This Freshman Class has quickly grasped the regulations and customs of Richmond High School. They have proved that they are leaders, which record gives them a start for the remaining years of their high school career.

ATHLETICS

FOOTBALL

One of those grand and glorious opening days had arrived. This one came on the sunny day of September 20, 1940. It was the day of the initial football game on R. H. S.'s new football field. This time had been eagerly looked forward to by Coaches Tiernan and Bartz, the members of the team, and also the spectators.

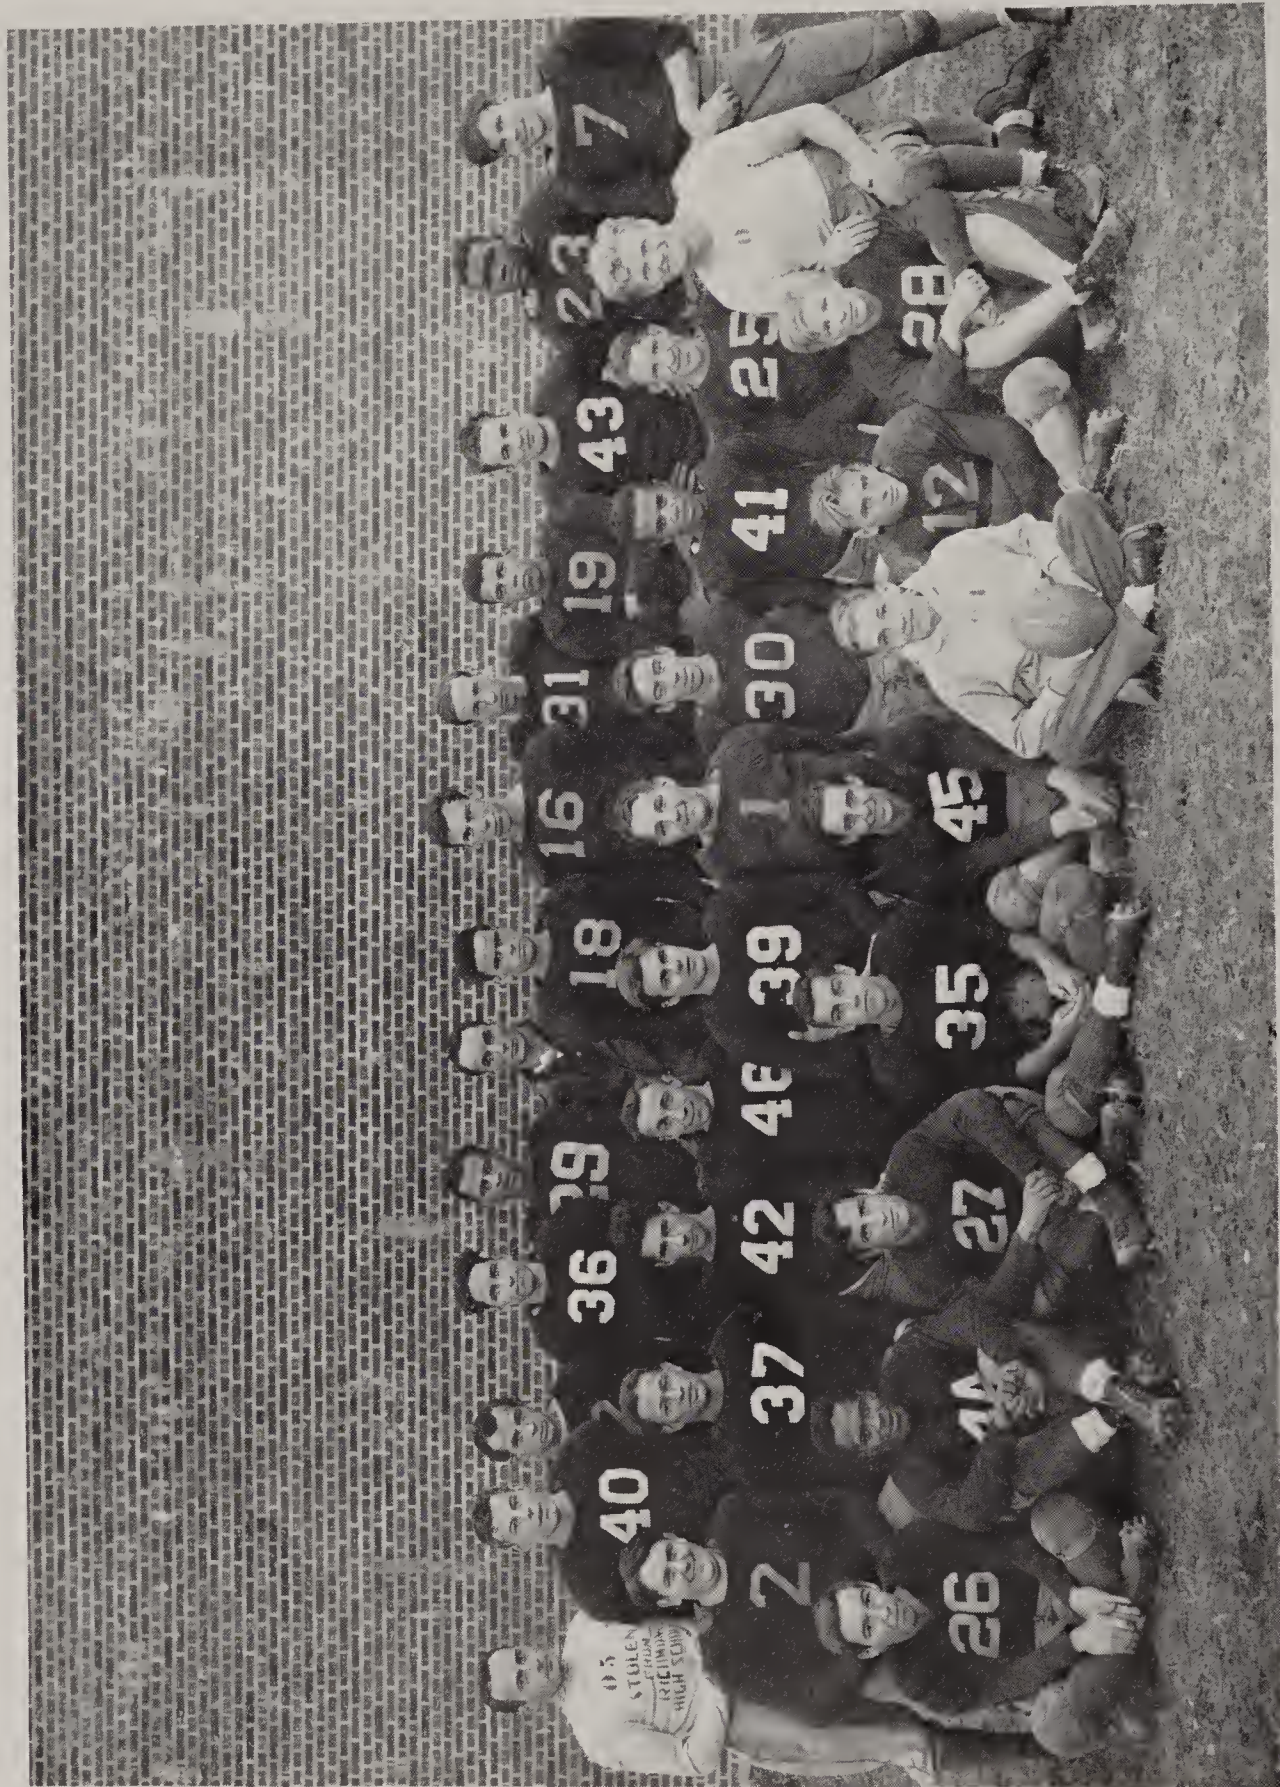

The field looked to be in excellent shape. The chalky ten-yard stripes glowed against the green blanket of grass. Our boys were eager to gain a victory in their first start in their new surroundings. This ambition was also spurred on by the hope that they could stretch the 1939 team's closing string of four consecutive victories to a higher number.

Marion scored quickly in the first period, when Keith, a big tackle, blocked Wine's punt on the Richmond 22, and Marion recovered the bouncing pigskin on the Richmond one-yard line. A buck through the middle and a perfect kick from placement made the score 7-0 against our boys.

Big Bryant Leavell recovered a Marion fumble on their 41, and Richmond was away on its touchdown drive. Wine, Fox, and Leavell carried the ball to the Marion one-yard line, and Howard scored the first touchdown on a quarterback sneak. The try for extra point failed. The score stood 7-6 Marion.

Marksbury and Lyons, the Richmond ends, nailed the Marion receiver on their 35. A series of sweeps and power plays carried the ball to the Richmond 11. At that point, Don Hale and Capt. Clay Dooley began driving through to stop Marion's threat. Dickinson kicked Richmond out of danger.

The fourth quarter found Marion down near the Richmond goal and another smash through center made the score 13-6. Frankie Svarczkopf, Richmond's diminutive guard, broke through to block Marion's try for the extra point. Richmond struck back quickly when Leavell made a 38-yard run to Marion's 30-yard line. Bob Fox circled Marion's left end, and a nice block by Allman sent him down to the 3-yard stripe. Cordell and Herold cleared the way, and Leavell scored on a smash over tackle. The try for extra point was good when Payton made a path for Leavell. The game ended 13-13, about five minutes later. So ended our first game on our own campus.

FOOTBALL SQUAD

FOOTBALL HIGHLIGHTS

RICHMOND 13—MARION 13

Big Bryant Leavell and speedy Bob Fox made long runs that led to two Richmond touchdowns. The blocking of Svarczkopf, Payton, and Captain Dooley were highlights of the first game.

RICHMOND 0—NEW CASTLE 12

Our weakness on pass defense cost us this game against the Trojans. John Godsey caught a 15-yard pass on New Castle's two-yard line, but a fumble on the next play kept us from a score.

RICHMOND 0—MCGUFFEY 39

The veteran McGuffey football machine rolled over the Red Devils for the worst defeat ever given a Tiernan coached team. Ed Cordell played a creditable game at tackle for Richmond.

RICHMOND 0—PORTLAND 25

Another small school had plenty of lettermen handy to give us another severe beating. Carmen Durso played a great game for Richmond. In the closing minutes, Godsey sparked some life into our boys, but it was too late.

RICHMOND 14—PLAINFIELD 6

Charley Reed, Tom Clark, and Earl Allman were consistent ground gainers for the Red Devils. Marksbury was the big gun on defense.

RICHMOND 0—ANDERSON 13

Our light team played great football against the Anderson powerhouse. Dooley, Marksbury, and Payton were standouts in the Richmond lineup.

RICHMOND 13—KNIGHTSTOWN 27

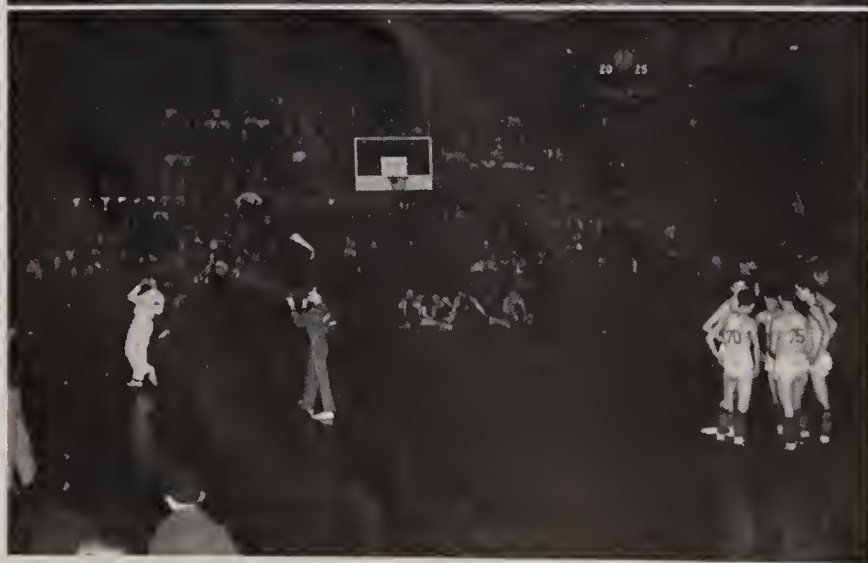

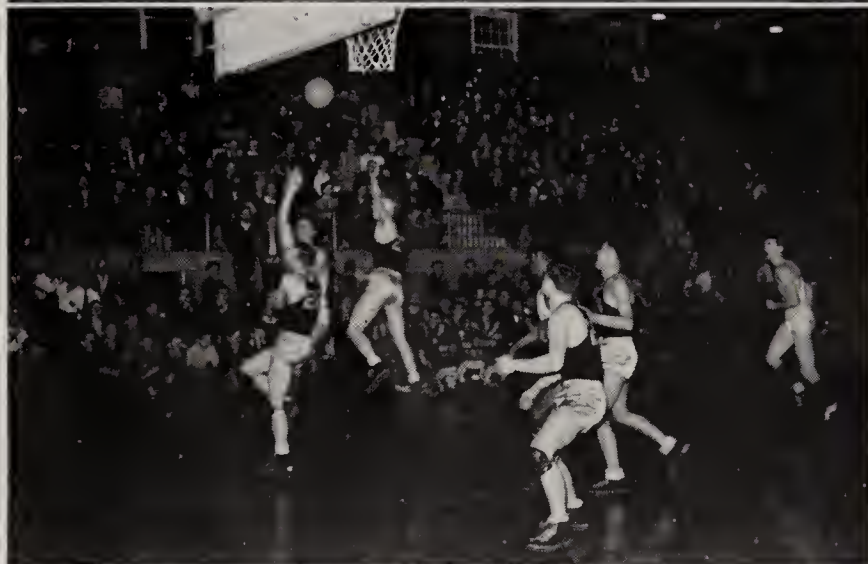

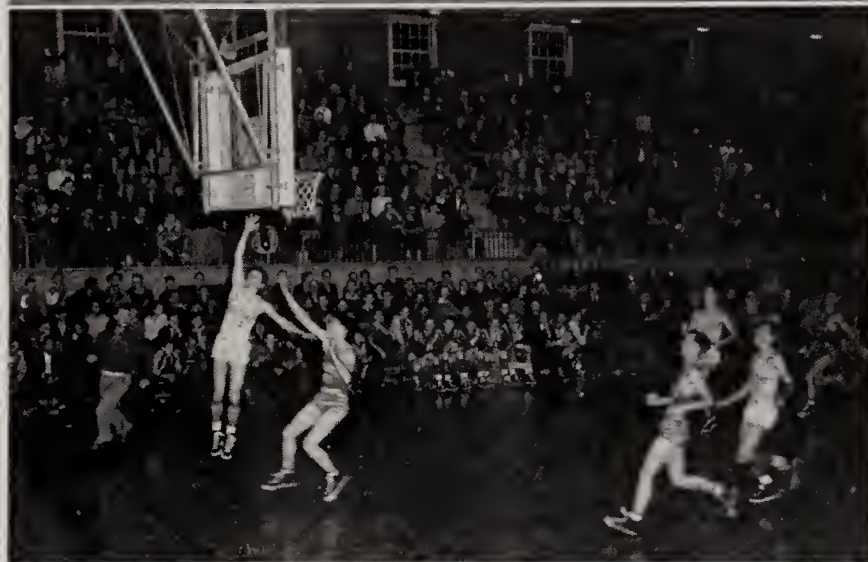

Our boys scored in the first two minutes and then weakened. The entire backfield performed above average in this game.

RICHMOND 6—TECHNICAL 6

A forward pass from Don Dickinson to Bryant Leavell was good for eighty-one yards and a touchdown against Tech's Green Wave. Every boy in the Richmond lineup played stellar ball, and our boys were ready to score when the gun stopped the game.

BASKETBALL

The basketball season of 1940-'41 was a highly successful one for the Richmond Red Devils. The team won 14 out of 20 regular season games, and placed second in the North Central Conference standings. In making this fine record, the Red Devils gained recognition as being a well balanced and smoothly functioning quintet. They had the reputation of being the smoothest ball handling team in the North Central Conference, and one of the best in the state.

One of the faults of the Devils was their inability to hit the basket when playing away from home. However, they more than made up for this by winning every game they played in Civic Hall. In the seasons of 1939-'40 and 1940-'41, Coach Eberhart has guided Richmond teams to 16 consecutive victories at home.

When tournament time approached, the Red Devils were ranking high among the top teams in the state. The Devils had little trouble winning the Sectional championship. In the three games they played, they averaged 54 points per game to their opponents' average of 26 points per game. Advancing to the Regional, the Red Devils faced New Castle's Trojans. Our boys lost a heart-breaking game. The final score reading 35-33, favor of New Castle.

This wrote finis to another chapter of basketball activity in the history of R. H. S.

BASKETBALL ROSTER

CARL RUNNELS, *Forward* (Senior)—That small, clever boy who was one of the highest scorers in the North Central Conference.

MACK PAYTON—*Forward* (Junior)—“Sonny” was the most consistent player on the team. He has nerves of steel; he never gets excited. He was elected captain of next year’s team.

JOHN WALLACE, *Center* (Senior)—John was the backbone of this year’s team. He was a rebound man par excellence. “Big John” always turned in a creditable performance.

JACK BAUMGARDNER, *Guard* (Senior)—Another of the small but mighty type. Jack was capable of playing ball in a fashion equal to the best any of his opponents offered.

BILL CHENOWETH, *Guard* (Senior)—Bill constituted a great deal of the defense of this year’s quintet. It was his job to hold down the high scorer on the opposing team.

LEWIS CRAVER, *Guard* (Senior)—Although not a member of the starting five, Lew was called on many times to fill a gap in the play of our team.

NORMAN WYSONG, *Guard* (Senior)—Norman was a valuable asset to our team. He was good defensively, had scoring punch, and was a “hawk” on rebounds.

JOHN BLACK, *Forward* (Junior)—With the experience he has gained this year, “Blackie” should prove to be a tough customer for R. H. S.’s opponents to handle next year.

HARRY DAVIDSON, *Forward* (Sophomore)—Harry has a bright future in basketball ahead of him. Although only a sophomore, he has displayed ability and is sure to become a star.

RICHARD PEED, *Center* (Sophomore)—Dick was brought up from the “B” team at tourney time. His play during the tourney proved he was ready for faster company.

BILL KEESLING, *Guard* (Junior)—“Red” was another newcomer at tourney time. He has speed to burn, and is sure to make a name for himself next year.

RALPH HOLMES, *Guard* (Sophomore)—Still another newcomer at tourney time was “Cecil.” His slow, easy-going motions accomplish much on the basketball floor.

TRACK

Although only six lettermen returned to form a nucleus for this year's track team, it has rounded into shape beautifully. The boys went to work early, worked hard, and the results are very prominent in their record. They won the majority of their meets. One strong point of the team was its balance. The team was just about equal in strength in the track and field events, this being a vital factor to a successful track team.

Some of the graduating members and the events in which they were especially strong are: Norman Howard, 100-yard dash; Richard Kanost, 220-yard dash; James East, 440-yard dash; Wally Hunt, 880-yard run; Don Walton, mile run; Paul Marksbury, hurdles; Kenneth Harger, shot put; Bill Stolle, high jump; and Bob Allen, pole vault.

BASEBALL

Baseball is a sport in which Richmond High School is always feared. Our teams are always ranked among the best in the state. This year's team should prove to be no exception.

However, Coach Sponsler does have a few problems confronting him since so many of the veteran players who were to return have obtained jobs, and are no longer attending school. Only three lettermen have returned for duty; they are John Wallace, Bob O'Maley, and Mack Payton. The reason that another top notch ball club is assured is that there are so many reserves who are eagerly scrapping for the positions left vacant.

The boys on the team all love to play baseball, and will be playing their hardest in each game. Rest assured their efforts will be rewarded with another excellent record for our baseball nine.

TENNIS

Our tennis team was left well fortified with talent this year. The ranking five all gained experience in actual competition last year. The boys have shown great promise and have great prospects of becoming the best tennis team R. H. S. has had since it became a major sport three years ago.

Coach Eberhart has arranged a tough eleven match schedule for his team. While playing these matches, the team members will have the following rankings: Henry Casey, number one position; Ray Davis, number two position; Dudley Stinson, number three position; Howard Parrish, number four position; Stanley Waldren, number five position. If any of these boys are unable to participate, then the alternates, Frank Hagie and Byron Parke, will be called into action.

GOLF

This year's golf team is one of the best which have ever represented Richmond High School. Coach McNaughton started building for this team last year. Juniors participated in all the golf matches last year. They gained the experience which has helped to make them a quartet of golfers who are capable of shooting par.

In a match with New Castle this season, they broke a five-year-old record. The low team score record in North Central Conference competition was 312, a score posted by a former Richmond team. This year's team shot the amazing total of 308, which is excellent for a high school team. The team has been consistently low in all their matches. Each match brings forth a new medalist for our team. During the season these are the low scores posted by the various members of the team: Bruck, 75; Suveges, 75; Juhasz, 72; Portanova, 75.

The members of this outstanding team are: Leo Bruck, John Suveges, John Juhasz, Mike Portanova.

INTRAMURAL CHAMPS

Again this year, Mr. Tiernan came through with the necessary arrangements for an intramural basketball tourney.

Captains were chosen and secured the members for their own teams. There were twelve teams entered in the tourney. A drawing was made and the tourney was run off very smoothly.

Many hotly contested battles took place during the tourney. Pierson's and Dooley's teams were successful in reaching the finals. They played a fine ball game, Pierson's finally winning out by the score of 29-26.

The members of the winning team were: Captain Harry Pierson, Bob Allen, Ben Hill, Bob O'Maley, Phil Patrick, Virgil Thornburg, and Donald Sharp.

FENCING

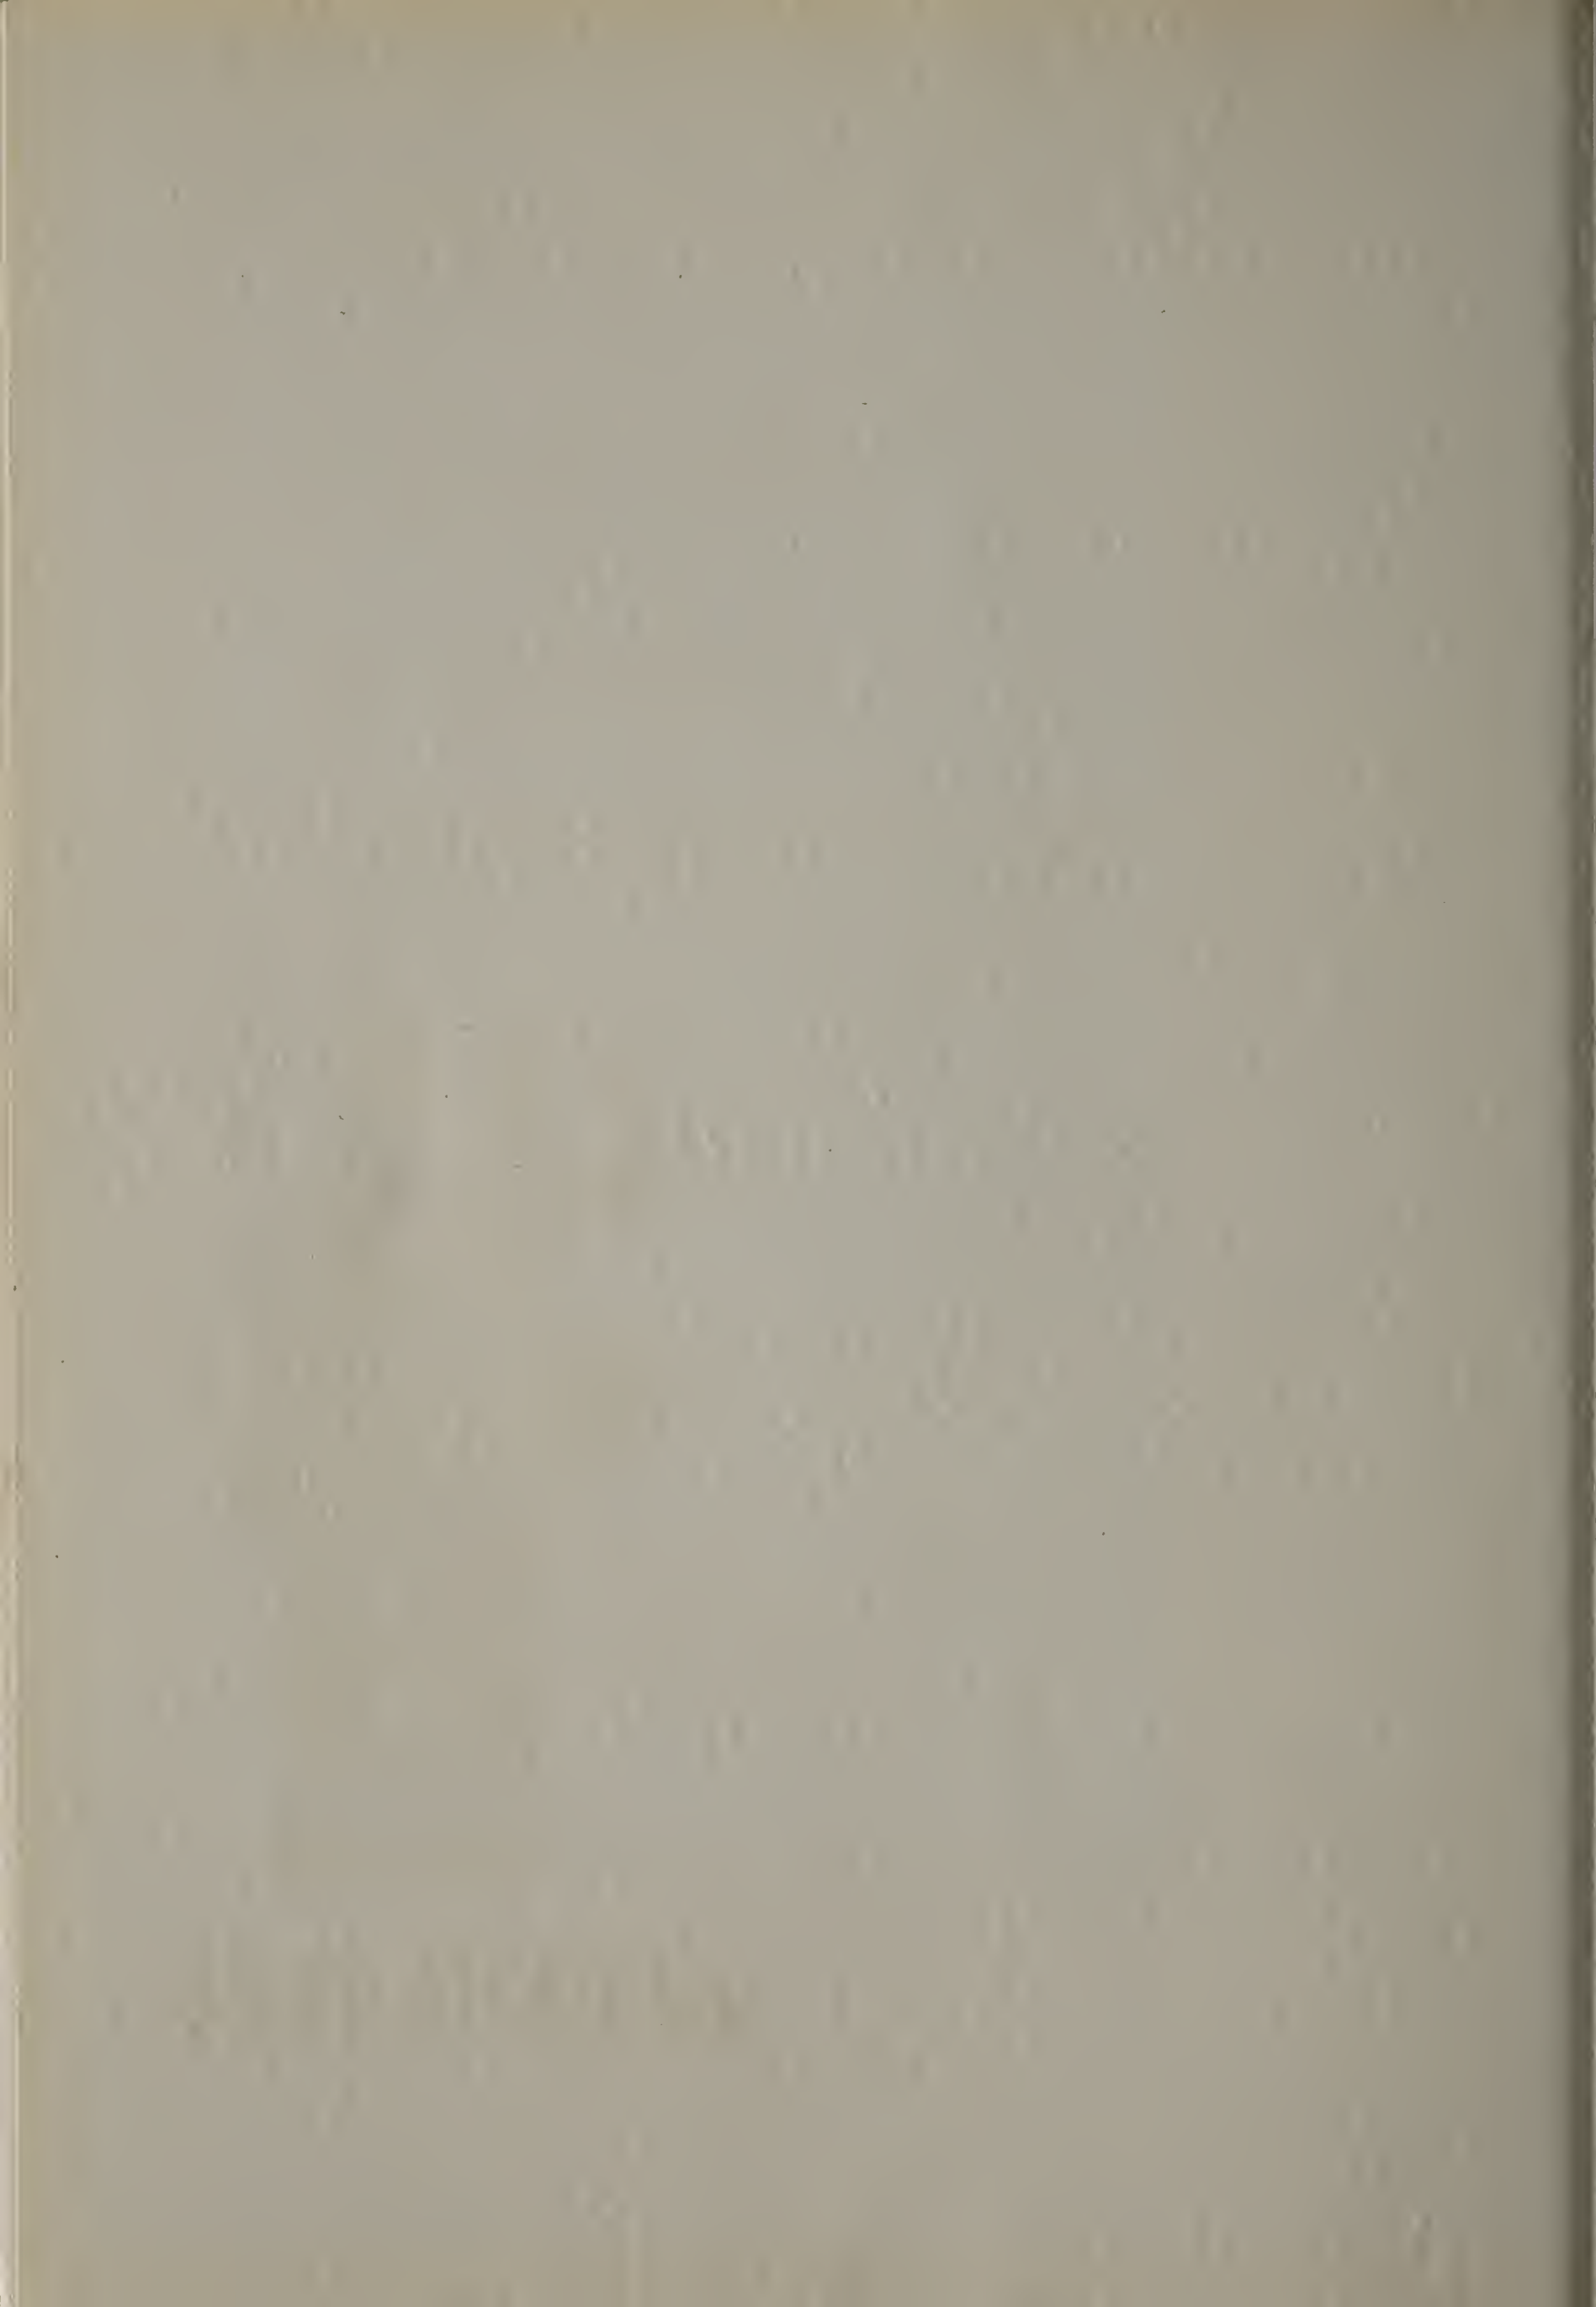

Although fencing is not a major sport at R. H. S., we certainly had a fine team representing our school. The only competition which they were afforded was at the State meet held at Indianapolis. Medals were awarded for four places, three of which our boys captured. Dick Beemer won the State Individual Junior Championship. Neil Burnett placed third, and Adrian Hall fourth, in the same event. The other members of the team, who followed closely in the rankings, were Don Kaiser, Archie Simonson, and B. J. Williams.

Mr. Hollett, coach of the fencing team, has stated that inter-school matches will probably be participated in next year. We hope that our future fencing teams will be as successful as this year's.

BAND

The Richmond High School Band, under the able leadership of Mr. Ben Graham, has been one of the school's busiest organizations this past year. In the scholastic year 1940-'41, they have played at many athletic events, especially basketball and football games. During the month of December, the band played for the Christmas tree decoration on Main Street, and gave a marvelous concert in Civic Hall. They presented a very interesting assembly in March. The band also took a very active part in the May Music Festival.

With eighty-two members this year, the band is the largest it has ever been in the history of the school. In their handsome uniforms, the members of the band make a splendid appearance wherever they perform. We are proud to boast of such a fine organization, and wish them the best of luck.

ORCHESTRA

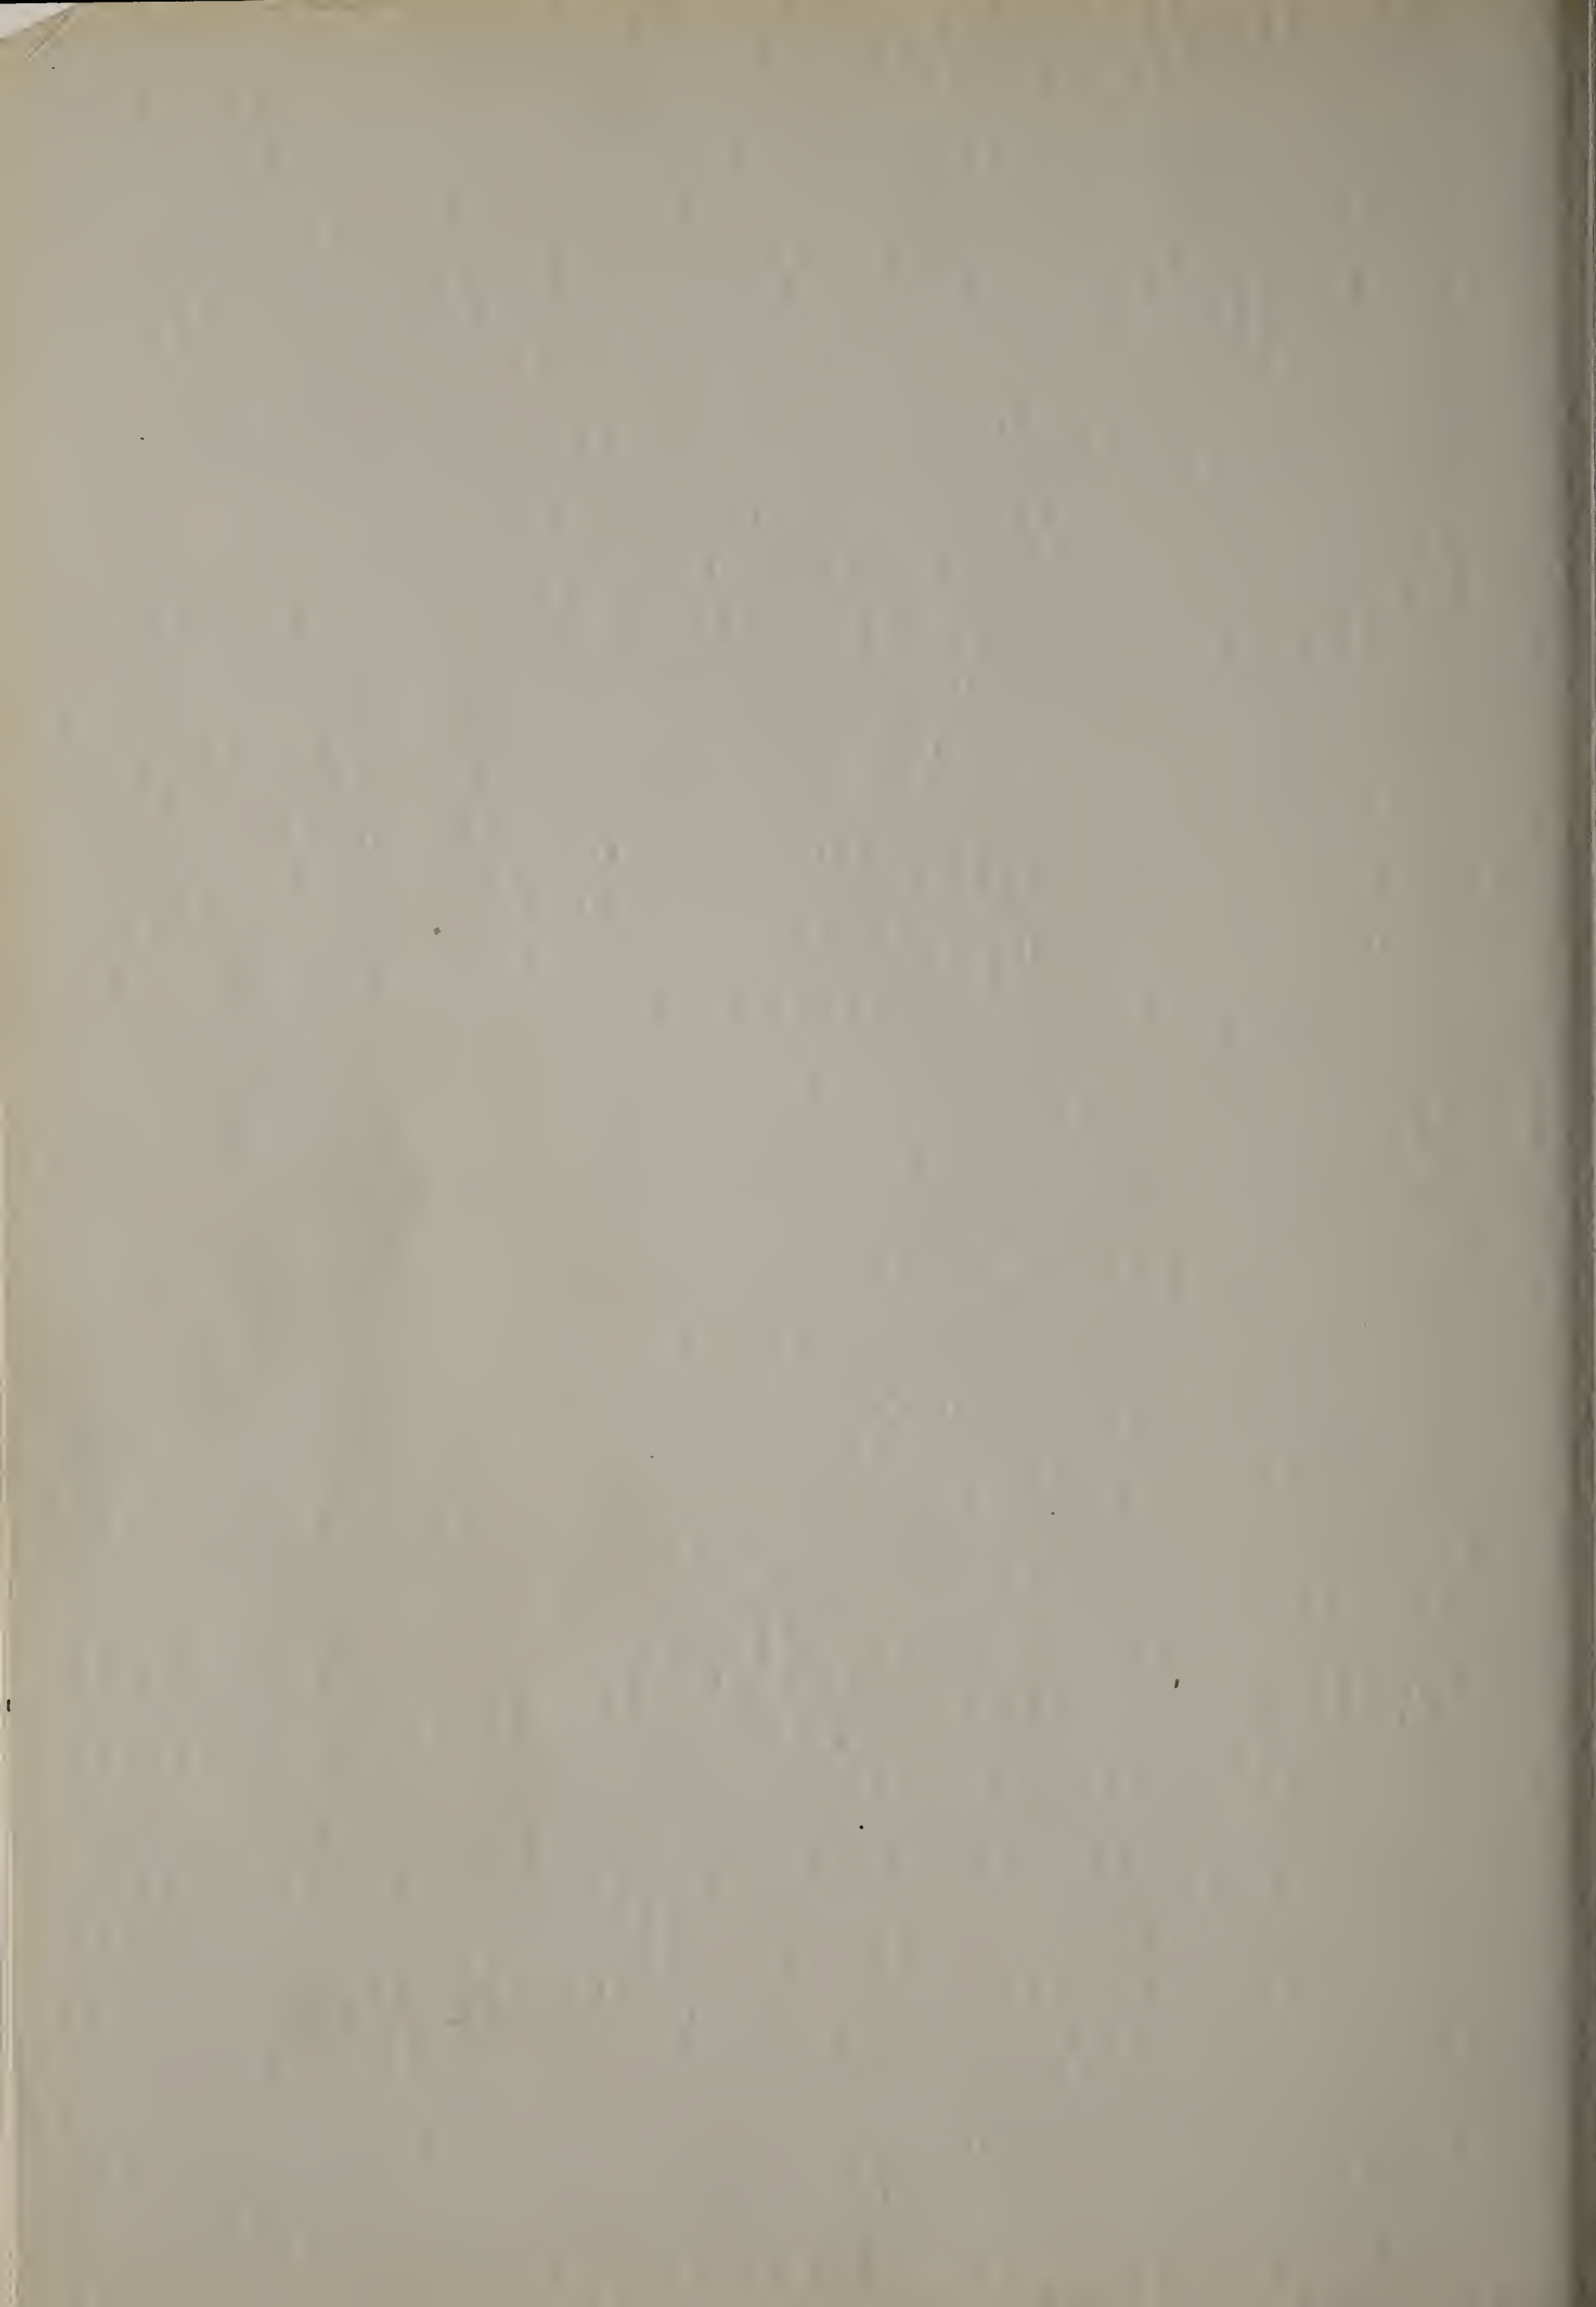

The orchestra this year boasts a membership of fifty-nine. They have certainly lived up to this fine number. Besides taking part in the concert December, 1940, the orchestra has played before several teachers' meetings and Junior High Schools. In the month of November, they gave their own assembly.

To add to their list, the orchestra gave a Lenten Concert March 30, 1941, and took part in the annual May Festival. The soloists for the concert were Ruth Duning and Donald Morris.

We give our sincere thanks and appreciation to Mr. Graham and the orchestra for their generous contribution to the success of the school year.

This is station Block "R" signing off. We have brought to you this year a program of entertainment unbeaten, and unrivaled in the basketball world. Our eighty bright girls provide that oomph needed between the halves at basketball games. The accuracy and precision with which the Block performed put the Rockettes to shame.

To help Miss Huber continue Block "R" this year, she has had excellent assistance from Madeleine Nicholson, Booster Club President, and from Douglas Hoyt, that curly-haired blond with all the novel ideas.

DRAMATIC SOCIETY PLAY

"Through the Night," a three-act mystery by Florence Ryerson and Colin Clements, was presented this year by the Dramatic Society and the Drama Class under the direction of Miss Finrock.

"Through the Night," a combination of murder, mystery, sudden twists, comedy, charming love scenes, and clever dialogue, details what happens to a rich and irresponsible family when murder strikes in their midst. During a gay house party in his summer home, preceding the wedding of his niece, the master of the house is murdered by his business manager, who plans a "perfect crime" to cover up his thefts. With diabolic cleverness, the murderer throws suspicion upon the Owl, a delightful burglar with a Robin Hood complex, who has been appropriating the summer colony's jewels. When the Owl takes time off from robbing the rich to help the poor and tries to prove his innocence, the murderer cleverly shifts suspicion toward Bunny, a mysterious guest, who is so charming and useful about the house that nobody has thought to ask where he came from or what he is doing there. With the aid of a bungling village police officer, the criminal almost manages to pin the blame upon this innocent victim and make his getaway; but some lightning-speed detective work performed at the last minute by this mysterious stranger, the bride-to-be, and the maid of honor, trips up the murderer, and incidentally proves to the bride that she is marrying the wrong man.

SENIOR PLAY

The leading parts for the Senior Class Play were given to Ann Bockhoff, Alice Smith, Richard Jessup, and Bob O'Maley. The play given this year was "Young April," written by William Spence Rouverol and Aurania Rouverol. "Young April" is a sequel to the popular and very successful "Growing Pains" which was given a few years ago by the Dramatic Society.

The play is the continued experiences of the McIntyres, presenting the two youngsters, Terry and George, in their "later adolescence."

The young daughter has trouble in selecting her beaux, and almost marries the "wrong one," until her parents straighten out her difficulties.

The older brother is in love with a very charming girl, but finds that she is only human. He finally decides he really loves her. Making this decision acquaints him with the realities of life.

The entire play is permeated with the parents' discussion of their youngsters' problems. It has much humor, and is the "inter-reactions" of parent and youngster, during their romantic, and tender "Young April" age.

The play was under the direction of Mrs. Harry Kercheval. The sponsors were Miss Bradbury and Miss Burbank.

The cast was as follows:
